***Teenager Zone* at the Dworek Białoprądnicki Cultural Centre („Strefa Nastolatka” w Centrum Kultury Dworku Białoprądnickim) is a project run by the Cultural Centre in cooperation with the Kraków Association of Court Superintendents.**

It is supported by the Advisor to the Mayor of Kraków for Family Affairs and has the financial backing of the Municipal Department of Social Policy and Health. The *Teenager Zone* offers help to youngsters facing problems at home or school. It is also open to parents/guardians who struggle supporting teenagers with their challenges. Targeted support is provided daily by on-call specialists (therapists, psychologists). Currently, consultations focus on topics related to the pandemic, including problems with home schooling, feelings of isolation or exclusion, etc. They do not have a specific time frame and take place as often and last as long as the individual needs

During the pandemic, the *Teen Zone* also organises workshops (ceramics, music, etc.), aimed at teenagers aged 13 to 18 and on-line meetings for youngsters.
