What is the song in the heart of Kyiv?

2021-02-03

Kiev is the capital of Ukraine and the former Kievan Rus and its name derives from the legendary Prince Kyi. Today it is a modern metropolis and an important centre of national political life and innovation. It is also the cradle of Ukrainian culture, rich, among others, in its folklore, which is still referred to by new generations of artists. Would you like to sing traditional Ukrainian songs?
