## **Great success of Agnieszka Radwańska - Congratulations!**

2015-11-17

**Agnieszka Radwańska (no 5 in WTA ranking) won over Petra Kvitová (6:2, 4:6, 6:3) in WTA Finals in Singapore, considered an unofficial tennis world championship.**

Impressive and historical success of Agnieszka Radwańska!

It was the 7<sup>th</sup> time „Isia” played in the Masters tournament at the end of the season but she has never won. Twice, in 2012 and in the last season, she reached semifinals.

Her victory over Kvitová (WTA no 4) this Sunday is the biggest success in the career of the 26 year old Cracovian. It was their ninth meeting on the tennis court. Congratulations!
