New cooperation opportunities for Kraków and Dubai

2018-12-06

Representatives of UAE businesses met in the Kraków City Hall on 10 November 2018.

The meeting was organised as part of Polish-Emirati Days organised by the Emiartes & Europe Business Development Cluster. The event was held in Warsaw and Kraków on 9 - 11 November and included conferences and presentations with the objective to exchange good practices and establish business relationships. Kraków - as one of the most important business centres in Europe, and a city open to new projects and innovations - was involved in organising this event and prepared bilateral meetings with representatives of Kraków i Małopolska business institutions.

Presiding at the meeting was Deputy Mayor of Kraków Jerzy Muzyk. Representatives of invited organisations, such as Kraków Chamber of Commerce, Kraków Technology Park, Employers' Union of Małopolska Lewiatan, Kraków Nowa Huta of the Future S.A. and start-ups: Lonsley.com and 1000realities discussed innovative solutions and investment prospects with the UAE delegation. It was good opportunity to discover new business options.
