Discover the world. Start with the sister cities contest

2019-02-21

Discover the world. Start with the sister cities is a thematic Wikipedia article creation and improvement & Wikimedia Commons image upload contest dedicated to tourist attractions of Russian cities and regions and their foreign sister cities and partner territories.

Terms of the contest: from November 1, 2018 **to March 1, 2019**.

Nominations:

Nomination # 1 — articles in Russian about tourist attractions of foreign sister cities and partner territories of Russian cities and districts.

Nomination # 2 — articles in the official languages of countries and regions (except Russian), in which foreign sister cities and partner territories of Russian cities and regions are located, about tourist attractions of their Russian sister cities and partner territories.

Nomination # 3 — free illustrations of tourist attractions of Russian cities and regions and their foreign sister cities and partner territories.

Special nominations:

Special nomination «**Rostov region**» — best articles about tourist attractions of sister cities and partner territories of Rostov Oblast.

Special nomination «**New User**» — new articles, created by participating information-sharing volunteers that made their first Wikipedia contribution in 2018-2019.

Bonus points (Double points) will be awarded for articles about tourist attractions of small and medium cities and towns (with less than 100 000 inhabitants).

[SEE RULES OF CONTEST](#)

The prize fund is provided by the Association of Honorary Citizens, Mentors and Talented Youth.
