Christmas presents for children from Kraków's foster families

2021-02-19

Although the pandemic restrictions made it impossible to organise a traditional meeting with Father Christmas, we managed to prepare and deliver 171 gift sets for youngsters aged 13 to 18 staying with foster families. It was a joint project of the Advisor to the Mayor of Kraków for Family Affairs, the Municipal Department of Social Policy and Health and the Municipal Social Welfare Centre. The kits contained quality school supplies.
