Jama Michalika: a place worth visiting

2013-07-18

***Jama Michalika* was rated one of the 15 historic European cafés by a tourist portal GlobalGrasshopper. Moreover, it is the only café in Poland mentioned in the rating.**

Most interesting parts of Jama Michalika in Floriańska street are the walls decorated with caricatures of cabaret artists, actors and authors who have visited this favourite bohemian haunt. GlobalGrasshopper also mentions the bigos stew served here.

The Krakow café is listed among excellent European cafés in Paris, Budapest, Rome, Venice, Barcelona, Lisbon, Berlin and Vienna.
