## **Latvian Ambassador to Poland Einars Semanis visits Krakow Municipality**

2012-01-18

**Ambassador to Latvia H.E. Einars Semanis and Honorary Consul of Latvia Rafał Brzoska who is about to open a consulate in Krakow visited Mayor Jacek Majchrowski on 8th November 2011.**

Since Krakow has not so far formally cooperated with any Latvian city the gentlemen discussed possible joint projects. The main focus was economic cooperation which could be initiated not only through economic seminars or conventions but also through directly associating entrepreneurs from Krakow and Latvia. General cooperation in fields of culture and education was also taken into consideration.
