Kiev and Vilnius for Christmas

2012-01-18

A Christmas *matryoshka* from Kiev or genuine Lithuanian *kindziukas*? Regardless of what we look for at the Christmas Market held in the Krakow Main Square until 26 December, whether Christmas sweets or original gifts for the loved ones, it is worth visiting the stands of Krakow's partner cities.

Kiev, the capital of Ukraine and Krakow's twin city, as well as Vilnius, the capital of Lithuania and favourite Lithuanian city of all Poles, participate in this year's Krakow Christmas Market organised by the Krakow Congregation of Merchants, Foundation for the Promotion of Culture of the city of Kraków and Artim Sp. z o.o.
