Zakrzówek - one Poland's wonders? A National Geographic Traveler contest

2014-12-19

National Geographic Traveler invites readers to compile a list of the most beautiful spots in Poland. The nominees include unique, magical places that are either brand new or have been given a breath of new life. Among them features Krakow's Zakrzówek. You can cast votes until September 26th.

This is already the fourth edition of NGT's poll aimed at pinpointing Poland's true gems that are really worth visiting. The new 7 wonders will be selected from among 16 nominees including Zakrzówek. Voting closes on September 26th. This year, for the first time votes can be cast online ('one vote per day' policy applies).

Readers who, apart from voting, will also offer a brief justification can win exciting prizes.
