## **Krakow stands in solidarity with Barcelona**

2017-09-01

**As a sign of solidarity with families of victims and injured in terrorist attacks in Barcelona and the seaside resort of Cambrils, today after dark the Bernatek footbridge, the Lipska-Wielicka Estacade and the TAURON Arena Kraków will be highlighted in the national colors of Spain.**

Let's recall: on 17 August at least 13 people were killed and over 100 injured in Barcelona and Cambrils on the Mediterranean in terrorist attacks.
