Two important Krakow running races: Cracovia Marathon and Cracovia Royal Half-Marathon are accredited in the Association of International Marathons and Distance Races – AIMS. Membership is renewed yearly.

Over 350 marathon and distant races from almost 100 countries are accredited in AIMS. The Association of International Marathons and Distance Races organizes Congresses focused on discussing the problems, goals and challenges that are faced by the organizers of the running races from around the world. Exchange of ideas, solutions and best practice help to improve further, among others, safety procedures and organization of the marathons and distant races AIMS works together with IAAF.

Membership fee:

1100 USD per each accredited event.

Membership Coordinator:

Zarząd Infrastruktury Sportowej (Sport Infrastructure Authority)
