I.FAST meeting in Kraków

2025-04-08

The I. FAST (Innovation Fostering in Accelerator Science and Technology) Innovation Pilot project for the Particle Accelerator community will hold its 4th Annual meeting in Krakow, Poland, from Wednesday 9 to Friday 11 April 2025 (Plenary sessions). The Event is organized by CERN (European Organization for Nuclear Research) in cooperation with Institute of Nuclear Physics of the Polish Academy of Sciences.

Activities and recent results of the different Work Packages will be presented. Participants will have the opportunity to engage with innovative research that underpins contemporary particle accelerator technologies. Special session will be devoted to collaboration with industry, sustainability, and diversity in science and technology.
