Kraków's Climate City Contract from a European Perspective

2025-10-06

On 16 June 2025, Mayor Aleksander Miszalski met with Philippe Froissard, European Commission's Deputy Director-General of the Directorate-General for Research and Innovation (DG Research & Innovation), to discuss the challenges and commitments arising from the Climate City Contract signed by Kraków in September 2024.

Since 2022, Kraków has been part of the EU initiative "100 Climate-Neutral and Smart Cities by 2030". The aim of this Mission is to support a group of European cities in their systemic
