Open Day of the Information Point for Foreigners

2026-09-25

Every migrant knows how challenging life in a foreign country can be. Regulations change frequently, and finding reliable and understandable information can be difficult, especially when it comes to legal matters, administrative issues, or psychological support.

That’s why the Information Point for Foreigners in Kraków operates - to support all people with migration experience, regardless of how long they have lived in Poland. On a daily basis, we help navigate current regulations, explain formalities, and assist with issues that are often hard to solve alone.

We warmly invite you to the **Open Day of the Information Point for Foreigners, which will take place on Friday, September 18!** Free consultations with specialists from various fields will be available from 9:00 AM to 5:00 PM at the Zabłocie Space Social and Economic Innovation Cluster (ul. Zabłocie 20, 1st floor). Consultations will be conducted with the support of interpreters.

During the Open Day, you can talk about topics such as insurance, taxes, healthcare, social assistance in Poland, residence legalization, life in Kraków, education, renting apartments, and many other matters. Here, you will surely find answers to your pressing questions.

As part of the September edition of the event, Stella Virium Foundation together with State Street have prepared free CV workshops and consultations for you. **Details and registration**

See you soon!

About the Information Point for Foreigners in Krakow:

This is a place where every foreigner staying in Krakow can get free information or advice on such topics as legalization of stay, education, administration, official matters or labor market. The Point offers legal and psychological consultations, as well as interpreters and foreign assistants. Since May 2022, representatives of a number of institutions have also been on duty here providing additional specialized advice. As of mid-January 2024, the Point has a new location in the Cluster of Socio-Economic Innovations at 20 Zablocie Street, and the counseling schedule is published weekly. The Point is run by the IB Poland Foundation, and operates as part of the Multicultural Center in Krakow project, funded by the Municipality of Krakow.

Regular opening hours of the Point: Monday - Friday 9:00-17:00
