## **Sing along with Mayor of San Francisco and Tonny Bennett!**

2020-05-13

**The San Francisco-Krakow Sister Cities Association invites to join in a live singalong of *I Left My Heart in San Francisco* on Saturday, April 25 at 12:00 Noon PDT (9:00 p.m. EST).**

On behalf of Mayor London Breed and performer Tony Bennett, families, friends, staffs, and communities are invited to participate with others from around the world—and especially those with a Sister Cities relationship with San Francisco.

We are all encouraged to take to our balconies, laptops, smartphones, and backyards to send a message of love and strength in tribute to all of the frontline workers in the fight against COVID-19. Participants are encouraged to livestream and record their performances of Tony Bennett's classic ballad via their online social media assets of choice (Facebook, Instagram, Twitter, YouTube) with the hashtag **#SingOutSF**.

This will be fun, and as Mayor Breed said, a chance for us all to “recognize how connected we are to one another, not just here in San Francisco, but all over the world.”
