Emperor's Birthday - national holiday of Japan

2022-02-24

The currently reigning Emperor Naruhito celebrates his birthday on 23 February and the day is Japan's national holiday.

Emperor Naruhito ascended to the Chrysanthemum Throne on 1 May 2019. Following tradition, the day marked the beginning of a new era called Reiwa. The previous era, Heisei, ended on 30 April 2019, the day of the abdication of Naruhito's father, Emperor Akihito.

We would like to extend our wishes of good health and every happiness to all Japanese citizens and fans of Japan worldwide.
