

The Tartan Army Donations to Bebiko Appeal

2022-11-03

On Tuesday the 27th of September, the Scotland national team will be playing the national team of Ukraine, and while in better times the game would have been in Ukraine, the match will be taking place in Kraków at Cracovia Stadium.

Since the outbreak of the war, Scotland football fans, via the [Tartan Army Sunshine Appeal](#) charity, have been helping the ['Dzherelo Rehabilitation Center' in Lviv](#) with a relief fund that has seen in 6 months Scottish football fans donate over £9,000 (PLN49,000) to assist them during these dark and troubling times.

The game in **Kraków will be our 92nd donation**, and we have selected [Bebiko in Ternopil](#) as our recipient of 4000GBP (PLN21,750) for this game.

Bebiko are a small group who look after 60 children aged two to five years old who suffer from Down-Syndrome and offer assistance to their families.

With 2,000 Scotland fans expected to travel, we have shared an appeal to the fans to donate school equipment, things like pens, pencils, paints, colouring books that they can donate in Kraków, and we would then transport them to Ternopil.

Klub Pod Jaszczurami will be our collection point for donations and charity hub, and will also host the traditional Say before and pre-match concert parties for the fans.

We had really hoped that they would be able to attend the game as our guests, but unfortunately that has not been possible in the current circumstances.
