National Holiday of Mongolia

2023-07-14

From 11 to 13 July Mongolia celebrates its most important holiday – Naadam Festival. It commemorates also the 102nd anniversary of Mongolia's independence.

The National Festival is celebrated all over the country every year and involves competition in three traditional games: horseracing, wrestling and archery.

Rituals of Naadam date back to the times of Genghis Khan. In 2010 this tradition has been inscribed on UNESCO's intangible cultural heritage list.

Happy Naadam!
