

Dear Residents of the City of Krakow,

We encourage you to take part in voting for projects under the 11th edition of the Civic Budget of the City of Krakow. This is your chance to help change our city! There are almost 700 different ideas to choose from, so there is something for everyone.

Voting starts on September 13 and will last until September 27, until midnight. You can vote easily online, on the www.budzet.krakow.pl website, or traditionally – at specially prepared points in Krakow. A total of 180 such places will be created, which will be located, m.in others, in libraries, community centers, district councils, as well as during various outdoor events in parks and squares.

You can vote for 3 district and 3 city-wide projects. All you need to do is log in to your account on the Civic Budget platform, using the previously created data (e-mail and password). If you voted in previous years, you don't need to create a new account!

If you have any questions,
please contact the Participatory Budget team:
