AND OTHERS

We help the best talents create the best products, plan better businesses and attract additional funding

We help the best talents create the best products, plan better businesses and attract additional funding

- ✓ we become a part of the team,
- ✓ we build better products and plan better businesses,
 - ✓ we connect them to the best mentors, advisors and investors all over the world,
- ✓ we help the teams raise additional funding needed to build successful businesses,

1

Chance on Tour

Together with entrepreneurs and investors we travel by an oldschool VW T3 all around the Central and Eastern Europe to explore local startup communities and find best tech-talents.

2

Chance Warm Up

We invite most promising startups for one week to Krakow. This intense week includes lots of meetups and mentoring. The strongest teams will continue their work in Chance Academy.

3

Chance Academy

We offer special mentorship program created for selected startups. By becoming a part of the team we help to build, launch or redefine already launched product.
